PROFILE

Driven to contribute innovative ideas and leverage strengths in a dynamic work environment, fueling organizational success. Committed to continuous growth and skill enhancement.

EDUCATION

Bachelor of Computer Science in Internet of Things   2021 – 2025 | Hyderabad, India
Guru Nanak Institutions Technical Campus
CGPA:9.19

Board of Intermdiate Education   2019 – 2021 | Hanamkonda, India
Winners Junior College
CGPA:9.68

Board of Secondary Education   2018 – 2019 | Warangal, India
SR High School
CGPA:9.8

EXPERIENCE

IBM SkillsBuild 6 Weeks Internship in Front End Development (FED)   Jun 2023 – Jul 2023

This opportunity allowed me to enhance my understanding of front-end development and gain practical project experience.

Intrainz Machine Learning Intern   Mar 2023 – May 2023

During my internship at Intrainz, I mastered Python fundamentals, data structures, error handling, and functions. Additionally, I gained insights into Machine Learning, focusing on supervised/unsupervised learning, deep learning, and regression analysis, all crucial for practical applications.

SKILLS

Technical Skills
Programming Languages : Python , C
Web Development : HTML , CSS , JavaScript
Data Structures and Algorithms , oops

Soft Skills
Time Management , Problem-Solving , Communication , Adaptability

PROJECTS

Credit Card Fraud Detection
Implemented a Credit Card Fraud Detection system utilizing machine learning algorithms to enhance financial security by accurately identifying and preventing potential fraud transactions

Netflix Replica Web Application 🔗
Independently developed a fully functional Netflix replica web application, demonstrating strong proficiency in front-end technologies like HTML, CSS, and JavaScript, and delivering a seamless user experience in content streaming and navigation.

CERTIFICATES

- Certificate of Participation in Artificial Intelligence & Deep Learning Faculty Development Program 🔗

- Certificate of internship by Intrainz in domain Machine Learning 🔗

- Certificate of Participation in Quiz (Online Assessment) Xiaomi Ode2Code 🔗

- HackerRank Python (Basic) Certificate 🔗
